The Martha's Vineyard Touchdown Club is selling advertisements for the 2009 edition of the VINEYARD FOOTBALL PROGRAM. This season should be another exciting one with the return of many players from last season. We will have 4 of our 6 home games this year under the lights as well as hosting the big Nantucket Game this year. Since the addition of lights to the Football field, attendance at games has continued to increase. You have the chance to support Martha's Vineyard Football and promote your business by purchasing an ad in this year's program. So come on and *Catch the Wave* and help us to another successful year! The fees for your choice of advertisement are listed below. If you have any questions, please call Katie Hart at 508-693-5378. **Ads must be received by August 31, 2009.**
